Off Imudia Street, Agbor,  
Delta State, Nigeria.

What are the COVID 19 storage strategies and logistics? **How will government store vaccines with a notoriously erratic power supply?**

Is it possible to **WAIT** till a newly approved single-dose **vaccine** can be stored at **normal refrigerator temperature**? Does the country have the infrastructure generally to store large amounts of vaccines at sub-freezing levels?

**GREENSPRING DEVELOPMENT INITIATIVE**
